

Advantage: TRC Global Mobility

TRC Advantage	Details	Benefit to You
100% Employee-Owned!	TRC employee-owners hold 100% of the company.	TRC employees go the extra mile in developing creative solutions for clients and delivering outstanding service to relocating employees.
30 Years' Experience	U.S. and global mobility since 1987	The experience to help you to use talent mobility to achieve your broader strategic objectives
Independent Structure	No ties to real estate, HHG, consulting or other companies; no requirement to feed leads to affiliated companies	No conflicts of interest; the best relocation professionals in your markets, regardless of affiliation
Single Point of Accountability	No call centers; no phone trees	Personalized service and in-depth knowledge of your culture/policies
No Silos	A flat organization, teamwork and frank/open communication	Open-door policy and quick resolution of any concerns
Wide and Deep Institutional Knowledge	Clients ranging from start-up to Fortune 500 and experience across all major industries	TRC understands your industry and is equipped to help you succeed in it
Full-Service Capabilities; High-Touch Service	150 country coverage in the Americas, EMEA and APAC	Global capabilities with high-touch, personalized service
Unmatched Flexibility	Customized mobility solutions tailored to your needs	We adapt our services, programs, tools and technology to meet your needs and budget
Truth in Pricing™ Philosophy	TRC believes in transparent, open-book pricing	No file, implementation or other "surprise" fees
Documented Cost Savings	Cost-saving recommendations tied to your industry and your company's culture and objectives	TRC clients have saved millions of dollars in gross-up, inventory and other program costs
Professional Supply Chain Management	Vetted, SLA-managed NetSource™ supply chain and MoveSource™ HHG networks	Peace of mind; freedom from supply-chain management burdens
WorldSource™ Destination Service Partners	TRC's local experts in 150+ countries	Local knowledge/expertise worldwide, throughout the assignment
